DER, in a communication to the Journal of Agriculture, speaking of mildew on grapes, says : "We have for more than fifteen years used sulphur for this purpose, and in no instance has it failed to effect a speedy cure. We have known instances where mildew, in the space of a few days, would spread its sporules over a large rose-house, destroying nearly all the foliages of the plant, and this by the use of sulphur, spread on the walks and over the plants, was extirpated in a short pe-

LARGE SALE OF MULES-MASON COUNTY UP WITH HER NEIGHBORS .- With pleasure we record the largest sale of mules ever made in our county, and one of the very largest ever made in the State. On Saturday last, July 2d, Messrs. Benedict, Kirk & Curbin Gallagher, of this county, sold to Messrs. Hall and McCann, of Fayette, one hundred head of fat two year old mules, at \$150 per head round -a total \$15,000. We wish our neighbors of the Lexington Observer, Puris Cttizen, and George-town Herald, to note this. Can Fayette, Bourbon or Scott beat it!—Maysville Eagle, July 5th.

A Brogge Making Change,-In Baton Rouge, La., a German beggar, apparently blind, solicited alms of a gentleman, who jokingly offered him five dollars if he would change a \$100 bill. Imagine his surprise when the beggar quietly took the handred dollar bill, and, after placing it near his defective eyes, deposited it in one pocket, while with the other he took out a filthy wallet, from which he counted out ninety-five dollars, which he handed over to the gentleman, leaving the contents of his wallet still unexhausted.

Good coffee is the rarest production of the kitchen. The Scientific American says, that the best way of making it, is to put the ground coffee into a wide mouthed bottle the over night, and pour rather more than half a pint of water upon each ounce and a half, and then cork the bottle; in the morning to loosen the cork, put the bottle into a pan of water, and bring the water to a boiling heat. The coffee is then to be poured off clear and the latter portion strained; that which is not drank immediately is kept closely stopped, and heated as it it

CHRONIC ENLARGEMENT OF THE TONSILS. CHRONIC ENLARGEMENT OF THE TONSILS.

My daughter, when six months cid, was taken with a swelling in the tonsils, which grew larger and larger, till when six years old size had great difficulty in swallowing her food. Every night watch was kept, fearing size would sufficeate. The best doctors attended her but could give no relief. I took her to the most emitted doctors in the East, they said there was no help for her but to outgrow it. With a sad heart I returned home with her, when she became so much wurse that the doctors had to be called in again, they decided that the tonsils must be ent off, us the only means of giving relief. My wife would not consent to this, and she decided that he tousins must be ent off, as the only means of giving relief. My wife would not consent to this, and she determined to try your Limiment, which gave relief the very lirst application, and by a continued use she entirely recovered. She is now ten years old and fleshy and healthy as could be desired. Your Limiment is also the best in use for sprains, bruises, cuts, burns, head-selie, etc., and it will remove the most severe pains in a few minnes. It also cured called market market in a care of the control of the caked unnder in my cow in a few days.

VALUABLE COTTON LANDS FOR SALE. THE following described Cotton Lands in Desha county, Ark., near Napoleon, mouth of the Arkansas river in fractional Township 10, South, Range 1, The S. W. fractional quarter of section 1, lying on a naviable lake, containing 74 acres and 84-100.

All of fractional section 12, [except the S. E. 8th of the section,] containing 478 acres and 85-100.

The W. fractional quarters of section 14, containing 171 acres and 34-100.

acres and 34-109.

The above lands are connected together, and fronting on the Arkansas river. Also the N. E. and N.W. of sections 19, the Arkansas river. Also the N. E. and N.W. of sections 19, containing 240 acres.

The above lands are well worthy the attention of cotton planters, lying as they do immediately on the river and heavily timbured, and, as I understand, above overflow; moreover, they are in a region of country [latitude 34] that is not to be surpassed for the growth of cotton anywhere.

Terms reasonable: ½ cash, the balance in 1 and 2 years, bearing an interest at 6 per cent, and mortgage on the land, till the purchase money is paid. The owner would infinitely prefer selling it all together, and to do so would make it an object to the buyer.

Refer to Colonel Henry Wilson, U. S. Army, Fort Smith, Ark.

Ark.

He has also a number of Town Lots, comprising an acre each, in a town had off and known as Napoleon the 2d, ad joining the N. W. corner of Napoleon 1st, mouth of the Arkansas, the whole fronting on the Arkansas river.

The above lots are finely suited for gardening purposes, as a ready sale to the steamers on the Mississippi and Arkansas rivers can be had for all the vegetables raised; besides fuel to the steamers navigating the Arkansas river.

Early applications are recommended,

HALF the Children of our country die under five years of tage. The Children's Promont of the Grafenbury, Co., is the most valuable remedy in existence for all the disorders of young children, from one hour to five years old. It is known to every Mother who has ever used it, and has thereby been saved days of anxiety and suffering.

There are in the State of Tennessee hundreds of children now living who without this wonderful medicine would have been in their graves.

It is for sale at every Drug Store in the State at 50 cents per bottle.
